

REMARKS/ARGUMENTS

Applicant responds herein to the Office Action dated June 7, 2005. A Petition for Extension of Time (three months) and the fee therefor are enclosed.

Preliminarily, the specification has been amended to include a description of Figure 3 in the section entitled BRIEF DESCRIPTION OF THE DRAWINGS to overcome the Examiner's objection in the first paragraph of the Office Action. Accordingly, withdrawal of this objection is earnestly solicited.

Claims 5 and 10 have been objected to as being dependent upon a rejected base claim, but indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Reconsideration is requested in view of the amendments to the claims herein and the following remarks.

Responsive to their indicated allowability, claims 5 and 10 have been rendered in independent form, which should result in prompt allowance of claims 5 and 10.

Claims 1-4, 6, 7 and 9 have been canceled, without prejudice.

Accordingly, the Examiner is respectfully requested to reconsider the application, allow the claims as amended and pass this case to issue.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on December 7, 2005:
